Frontiers in Environmental Science

Instructor: Dr. Chip Fox
Phone: 903-886-5442
haydn_fox@tamu-commerce.edu

Office: S-262
Hours: Daily 10–11
& Lots of other times

Text: None

Course Description:

This course is designed to familiarize environmental science majors with the literature pertaining to environmental science.

Class Meets: Thursday, 3:00–4:00 Sci 123

Student

Requirements:

- Attend all sessions.
- Actively participate in class discussions
- Each week be prepared to discuss with the class a current issue in environmental science that you have found in an environmental science or related journal.
- At the end of the semester, conduct one formal presentation on a current issue in environmental science.

Evaluation:

Based on you're your ability to knowledgeably discuss your own topic as well as contribute to the discussions of other students topics. You will also be graded on your final presentation, particularly on how well you know and understand your subject.

Caveats Box

Disabilities — Requests from students with disabilities for reasonable accommodations must go through the Academic Support Committee. For more information, please contact the office of Advisement Services, BA 314, 903-886-5133.

Behavior — All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. Students who are disruptive to class activities will be dropped from the class and may face further disciplinary action.

Plagiarism — Plagiarism is a criminal activity. You must cite all sources of information. Unreferenced copying of material, whether parts of sentences, whole sentences, paragraphs, or entire articles can result in a score of zero for your assignment and may result in further disciplinary action.
