

Selected Publications

Updated August 2009

My work has been cited over 40 times including over ten textbooks in the areas of corporate finance, financial management, security analysis and banking. It has also been cited in a very popular text on statistics for business and economics and a text on supply chain management. My work has also been cited in a book on cost benefit analysis and two international newspapers.

Srinivas Nippani and Shekar Shetty “The Impact of Katrina on the Small and Large Bank Performance in Louisiana and Mississippi: An Early Look” forthcoming in **Journal of Business and Economic Perspectives**, Vol. XXXV(2), Spring/Summer 2009.
