

As an addendum to the Aftermath Newsletter, we would like to add the following alumni update:

Mr. George C. Roach, alumnus of the Texas A&M University-Commerce Math Department, passed away on July 5, 2009. Mr. Roach received a Bachelor's degree in Math and Physical Education from the university when it was still East Texas State College. He also went on to receive a Master's degree in administration from East Texas State College and later became an Assistant Principal.

Our condolences go out to his family, and we are grateful for the warm regards and loyalty shown to our department by Mr. Roach and his wife, Peggy.
