

Texas A&M – Commerce Social Work Department
PROFESSIONAL DEVELOPMENT PLAN
(Learning Contract)

Attach your Job Description for Placement. Utilize your Job Description to assist you in developing activities to meet your learning objectives. Be as specific as possible.

LEARNING OBJECTIVES/OUTCOMES

As an undergraduate generalist social work student, your learning goals should reflect efforts to demonstrate skills in all areas of the problem-solving model (*interviewing & relationship building; assessment & planning; intervention; termination & transition; and evaluation*). In addition, these areas of practice should reflect all levels of systems: *individuals, families, groups, organizations, and communities*. These learning goals will become the basis for evaluating your accomplishments and performance in the field practicum.

Learning Objective 1: Demonstrate effective skills in working with *individuals*. This includes use through all phases of the problem-solving model: interviewing; assessment, planning, & goal setting; intervention; termination & transition; and evaluation.

LIST: Social work assignments & activities through which student will achieve objective.

Learning Objective 2: Demonstrate effective skills in working with *family systems*. This includes use through all phases of the problem-solving model: interviewing; assessment, planning, & goal setting; intervention; termination & transition; and evaluation.

LIST: Social work assignments & activities through which student will achieve objective.

Learning Objective 3: Demonstrate effective skills in working with *group systems*. This includes use through all phases of the problem-solving model: interviewing; assessment, planning, & goal setting; intervention; termination & transition; and evaluation.

LIST: Social work assignments & activities through which student will achieve objective.

Learning Objective 4: Demonstrate effective skills in working with *organizational systems*. This includes use through all phases of the problem-solving model: interviewing; assessment, planning, & goal setting; intervention; termination & transition; and evaluation.

LIST: Social work assignments & activities through which student will achieve objective.

Learning Goal 5: Demonstrate effective skills in working with *community systems*. This includes use through all phases of the problem-solving model: interviewing; assessment, planning, & goal setting; intervention; termination & transition; and evaluation

LIST: Social work assignments & activities through which student will achieve objective.
