MANSFIELD INDEPENDENT SCHOOL DISTRICT VOLUNTEER

ADDENDUM TO APPLICATION
(Confidential)

The Mansfield Independent School District Board Policy GKG(Local) requires certain prospective student teacher applicants to sign a statement allowing the District to obtain criminal history record information. A portion of the Board Policy reads as follows:

> It is District policy to conduct a criminal history record on all adults (age 18 years and older), who work alone with children on school-related activities on or off District property, excluding parents or legal guardians who are working alone with their own children. [See DC(Legal)] This policy is designed to protect children. However, it is not the intention of this policy to put into place unnecessary bureaucratic mechanisms for carrying out this policy.
>
> In order to effectively implement this policy, the following definition of "alone" is hereby adopted. A volunteer works "alone" with a student when the volunteer:
>
> 1. Engages in regular one-on-one interaction with a student in any campus location without the presence of other adults and/or students; or
> 2. Works individually with any child on school-related activities outside the school campus.

The campus shall inform prospective volunteers when their services are to begin, **which will not occur until after review of the individual's criminal history record.**
