

Traffic And Parking Rules and Regulations

Amended 1970, 1971, 1972, 1973, 1974, 1978, 1981, 1982, 1986, 1992, 1996, 1997, 1999, 2000, 2001, 2002, 2003, 2004, 2006.

Introduction

The control of traffic and parking on campus is a necessary part of the efficient operation of the University.

All members of the University community are urged to familiarize themselves with these regulations and cooperate in respecting them.

University Police Department
Donna J. Spinato, Chief

Article I. Authority

Authority SB 162 of the 60th Legislature, now incorporated into the Texas Higher Education Code Subchapter E, paragraph 51. 201-51.211.

Article II. State Laws, City Ordinances and University Rules and Regulations

All State laws, city ordinances, and University rules and regulations (adopted by the Board of Regents) are applicable and may be enforced on University premises and referral may be made to the appropriate court of jurisdiction.

Article III. Vehicle Registration

Section A. All vehicles, as defined by state laws, operated on University premises must be registered with the University Police Department and a **permit must be visibly displayed.**

Section B. In accordance with HB 2787 passed by the 77th Legislature, all motor vehicles registered out of state being driven by students who reside in Texas, are prohibited from receiving a parking permit from a public institution of higher education unless the State of Texas requirements are met for vehicle emission inspection and/or failure to register the vehicle in Texas or to display a current and appropriate inspection certification. Students may violate state law if not in compliance.

Section C. **The person who owns or registers a vehicle on campus is responsible for that vehicle and all parking violation citations issued thereto. If the person operating the vehicle is other than the registrant when a violation is committed, both the driver and the registrant may be cited.**

Section D. The operation of motor vehicles on the premises of Texas A&M University-Commerce will be restricted to campus drives and parking lots unless special permission is granted by the University Police Department of Texas A&M University-Commerce for a specific purpose.

Section E. Reinstatement Fees—Citations received for any violation stated herein could result in loss of driving privileges on the premises of Texas A&M University-Commerce unless reinstatement fees are paid within five days excluding proper appeal board procedures.

Section F. Registration Year—One calendar year beginning with September 1 the fall semester through August 31 of the following summer.

Section G. Vehicles may be registered during regular class registration or during pre-registration, or at the University Police Department, 24 hours a day 7 days a week.

Article IV. Types of Permits

Section A. **Blue permits are issued to full-time faculty and staff members for their use exclusively. Registrants may not register another person’s vehicle.**

Section B. **Purple permits are issued to the residents of F-Buildings for their use exclusively. Residents may not register another student’s vehicle.**

Section C. White permits with identifiable letters and numbers are issued to disabled persons and to frequent visitors to the campus.

Section D. **Green permits are issued to students not listed in Sections A, B, and C above.**

Section E. **Brown permits with identifiable numbers and letters are issued to residents of New Pride Apartment for their use exclusively. Residents may not register another student’s vehicle.**

Section F. **Identifiable blue permits are issued to full time contractual employees of SODEXHO, directors of religious organizations, construction employees, teaching graduate assistants, instructors of extended university and others as determined by the Chief of the University Police Department.**

Section G. Special Permits—The Texas A&M University-Commerce University Police Department reserves the right to issue special permits to individuals who have a need to operate or park a motor vehicle in a given area. The special permits will be issued only on direction of the Chief of the University Police Department.

Section H. Temporary permits:

- Temporary disabled person.
- Temporary visitor.
- Other short term or special situation.

Temporary permits are to be displayed hanging on the rear view mirror with the permit number side facing outward.

Section I. All the above permits become void on the effective date of any status change of the individual, provided the new status is not eligible for original type of permit issued.

Article V. Visitor’s Permit

A visitor shall be defined as one who has **no affiliation, association or relationship** with Texas A&M University-Commerce as a student, faculty member, staff member or employee or as determined by the Chief of the University Police Department.

Section A. Visitors are required to register the motor vehicle that is to be operated on the premises of Texas A&M University-Commerce. Visitors must obey the traffic and parking regulations as a condition to remain on the premises of Texas A&M University-Commerce. Visitors may not register a vehicle for use by employees or students of the university.

- Temporary Visitor Permits are issued on a temporary basis and expire at 12 midnight on the date stated on the permit.
- Permanent Visitor Permits are issued on a permanent basis and are in force for the remainder of the registration year.
- Violations for not displaying a current parking permit will be waived for any person who is a visitor as described above. Any other violations will need to be taken care of as outlined in the rules and regulations.

Section B. Seminars and Meetings—Department heads may request visitor permits for a specific event from the University Police Department and dispense the visitor permits to people involved in short term visits to the University on a case-by-case basis. A list should be forwarded to the Chief of the University Police Department showing the name of the event, estimated attendance, license plate numbers, and inclusive dates at least ten days prior to the beginning of the short term visit.

Article VI. Registration Fees

Section A. A fee of \$22.00 is charged for each motor vehicle registration on an annual basis. A fee of \$23.00 will be charged for on-line registration.

Section B. A fee of \$18.00 is charged for each motor vehicle registration for the spring and summer semesters. A fee of \$19.00 will be charged for on-line registration.

Section C. A fee of \$13.00 is charged for each motor vehicle registration for the summer semester only. A fee of \$14.00 will be charged for on-line registration.

Section D. All of the above are valid through the remainder of the registration year unless otherwise specified. See Article IV, Section I.

Article VII. Display of Permit

Section A. **A registration permit is properly displayed when it is affixed to the driver's side of the vehicle windshield on the inside.**

Section B. Permits are not transferrable to a different vehicle owner.

The permit must be removed when ownership of the vehicle changes.

Section C. Lost permits will be replaced at the current permit charge.

Section D. Mutilated or damaged permits will be replaced immediately upon return of the original permit.

Article VIII. Temporary Operation Permits

Section A. Persons who have motor vehicles registered and fail to bring their permit, may obtain a temporary operating permit from the University Police Department.

- The vehicle must be registered immediately upon arrival on the premises of Texas A&M University-Commerce.
- The maximum registration period is for one week.
- A \$1.00 charge will be made for each temporary permit issued after two (2) temporary permits have been issued for alternate vehicles during the registration year.

Section B. Persons who do not have a motor vehicle registered and want to bring a vehicle on campus for a short period of time may obtain a temporary operating permit from the University Police Department at a charge of \$1.00.

- The vehicle must be registered immediately upon arrival on the premises of Texas A&M University-Commerce.
- The minimum registration period is for one week. The maximum registration period is two weeks per temporary. All temporary permits expire at 12 midnight on the date stated on the permit. The maximum number of temporary permits purchased is 2 per semester. A permanent permit will then need to be purchased.
- Persons enrolled at the metroplex, in Mini terms and/or student teaching classes may purchase a temporary permit for up to four weeks. The permit registration is \$1.00 for every two weeks.

Article IX. Disabled Persons

Section A. Permits for disabled persons will be issued only to those who have obtained a special disabled identifying registration insignia (license plate validation sticker) or a temporarily disabled person identification card. Both sticker and card may be obtained from the county tax assessor-collector’s office in the county in which the person resides.

Section B. Those persons issued a white disabled permit may park in any handicap parking area, to include faculty and staff areas and student areas. The current motor vehicle registration fee is assessed disabled students for the special permit and the registration is valid for the remainder of the registration year unless otherwise specified.

Section C. Those persons temporarily disabled are issued identifiable permits that allow them **parking only in student or faculty and staff areas.** The temporary disabled motor vehicle registration permits must accompany the standard motor vehicle registration permit acquired as directed under Article III of this publication. There is no charge for the temporary disabled motor vehicle registration permit. The temporary permit expires at 12 midnight on the date of expiration stated on the permit.

Section D. Temporary disabled permits will be issued only upon presentation of certification from the university medical doctor and approval by the Chief of the University Police Department.

Article X. Permit Assignments and Enforcement

Section A. **Traffic and parking regulations are enforced 24 hours daily. The purchase or issuance of a motor vehicle registration permit does not guarantee a parking space on the premises of Texas A&M University-Commerce nor does the absence of parking space constitute a valid justification for violation of traffic and parking regulations. The mere fact that citations are not issued for any offense does not indicate that the regulations have been modified excluding that offense.**

Section B. **Blue Permits—assigned to park in blue, purple and green areas only.**

Green Permits—assigned to park in green areas only. May park in purple areas during the summer pending housing enrollment. (See signage)

Purple Permits—assigned to park in purple and green areas only.

Brown Permits—assigned to park in brown and green areas only.

White Permits with D prefix—assigned to park in disabled zones blue, red and green areas.

White Permits with V prefix—assigned to park in visitor areas.

All of the above areas are enforced between the hours of 7:00 a.m. and 3:00 p.m. Monday thru Friday, except the visitors' areas that are enforced from 7:00 a.m. to 5:00 p.m. Monday thru Friday and 7:00 a.m. to 12:00 noon on Saturday. Disabled parking spaces (handicapped parking) and fire zones are enforced twenty-four (24) hours a day, seven days a week. There is no Saturday zone restrictions (red, blue, green or times zones) during the summer term as long as the vehicle has a current permit.

Article XI. Special Occasions and Emergencies

On special occasions and in emergencies parking and traffic limitations may be imposed or rescinded by officers of the University Police Department of A&M-Commerce as required by the conditions which prevail. Every effort will be made to inform the public of any restricted areas and may be accessed through the University Police web site.

- All regulations embodied in the ordinances of the City of Commerce governing and regulating vehicular traffic.

All of the above laws and regulations may be cited in the Justice of the Peace Court or the Corporation Court of Commerce. In any event, persons receiving a citation will comply with the instructions on the citation.

Article XIII. Procedures for Recipients of Traffic or Parking Violation Notices to Follow

Section A. Students, faculty and staff members receiving Texas A&M University-Commerce traffic regulation citations will report to the University Police Department Office within five days to appeal or 10 days to pay the reinstatement fee unless otherwise instructed by the issuing officer of the University Police Department.

Section B. Students with outstanding and overdue traffic and parking regulation violations are reported to the Registrar’s Office of Texas A&M University-Commerce and these must be paid in full as a condition to re-entry into academic study, or to receive any permanent academic records.

Section C. **Faculty and staff members with overdue traffic and parking regulation violations may be reported to the appropriate department heads. Failure to pay fees by the following semester could result in loss of driving and parking privileges on campus until fee is paid. A tag may also be placed.**

Section D. Multiple traffic and parking regulation violations—The following conditions are enforced for those persons receiving numerous traffic and parking regulation citations during the registration year.

- First offense—Fee depending on violation (see Article XII).
